

Figure 1: Feynman diagram for Compton scattering

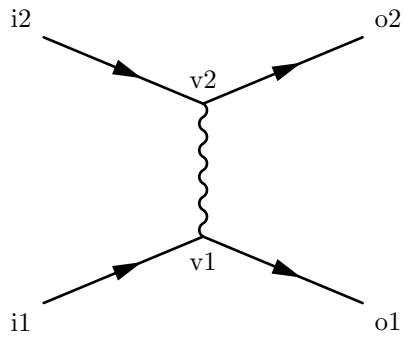

Figure 2: Feynman diagram for scattering

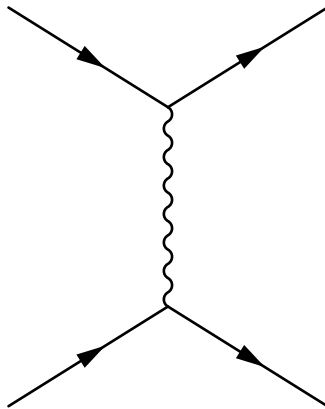

Figure 3: Second feynman diagram for scattering

This is a test file for Feynman diagrams.

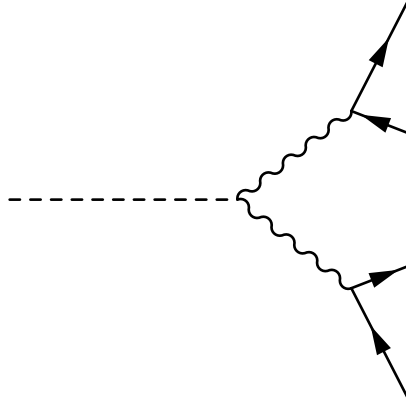

Figure 4: Feynman diagram for Higgs boson decaying into two W bosons, without phantoms or freezing.

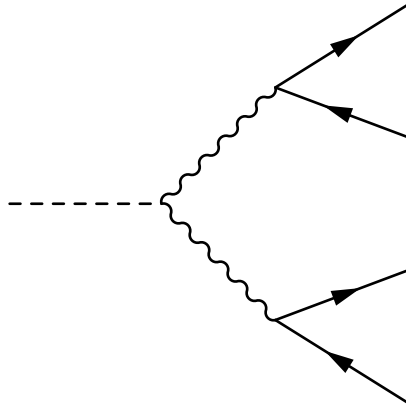

Figure 5: Feynman diagram for Higgs decay with phantoms and freezing to form a skeleton.

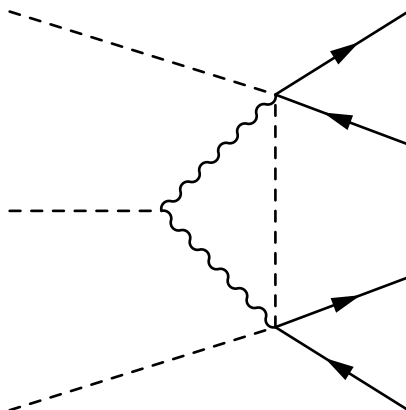

Figure 6: Feynman diagram for Higgs decay into a bottom quark pair with dashes for pulling and freezing to form a skeleton.
